

# EBIOS RM: Certification Exam

Hands-on course of 1 day - 7h

Ref.: EBX - Price 2025: 1 000 (excl. taxes)

## EDUCATIONAL OBJECTIVES

At the end of the training, the trainee will be able to:

Understand the EBIOS method

Map risks

Know the basic aspects of risk management for information security, using the EBIOS method

Conduct risk management with the EBIOS Risk Manager method

Analyze and communicate the results of an EBIOS study

## TEACHING METHODS

The materials, instruction, and exam are in French.

## CERTIFICATION

EBIOS Risk Manager certification is issued by PECB. It attests that the person possesses the knowledge and has acquired the skills needed to conduct security-related EBIOS risk analyses.

## THE PROGRAMME

last updated: 01/2024

### 1) Review and preparation for the EBIOS Risk Manager exam

- Review of the EBIOS Risk Manager program.

*Develop the necessary skills to analyze and communicate the results of an EBIOS study.*

### 3) Guiding concept of the EBIOS Risk Manager method, and workshop for the method.

- -
- Principles and fundamental concepts of risk management related to information security using the EBIOS method.*

### 4) EBIOS-based information-security-related risk management program.

- EBIOS-based information-security-related risk assessment.
- Framing, security base, risk origins, strategic scenarios, operational scenarios, and risk handling.

## TRAINER QUALIFICATIONS

The experts leading the training are specialists in the covered subjects. They have been approved by our instructional teams for both their professional knowledge and their teaching ability, for each course they teach. They have at least five to ten years of experience in their field and hold (or have held) decision-making positions in companies.

## ASSESSMENT TERMS

The trainer evaluates each participant's academic progress throughout the training using multiple choice, scenarios, hands-on work and more. Participants also complete a placement test before and after the course to measure the skills they've developed.

## TEACHING AIDS AND TECHNICAL RESOURCES

- The main teaching aids and instructional methods used in the training are audiovisual aids, documentation and course material, hands-on application exercises and corrected exercises for practical training courses, case studies and coverage of real cases for training seminars.
- At the end of each course or seminar, ORSYS provides participants with a course evaluation questionnaire that is analysed by our instructional teams.
- A check-in sheet for each half-day of attendance is provided at the end of the training, along with a course completion certificate if the trainee attended the entire session.

## TERMS AND DEADLINES

Registration must be completed 24 hours before the start of the training.

## ACCESSIBILITY FOR PEOPLE WITH DISABILITIES

Do you need special accessibility accommodations? Contact Mrs. Fosse, Disability Manager, at [psh-accueil@ORSYS.fr](mailto:psh-accueil@ORSYS.fr) to review your request and its feasibility.

- Identifying the feared events and assessing their severity levels.
